Lighthouse Christian Church Jersey Limited
Notes to the Financial Statements
For the year ended 31 December 2023

1 THE ORGANISATION

LIGHTHOUSE CHRISTIAN CHURCH JERSEY LIMITED is a Jersey Company that exists for solely Charitable and Non Profit purposes. Its aim and objective is to operate as a Christian Church, and its founding legal documents prohibit any member or director of the organisation from benefitting in any way from any of the profits or assets of the organisation, either during its operation or upon its winding up, other than for salaries paid to employed workers in the normal course of operation.

The Directors of the company understand and affirm their compliance with the following responsibilities:

- properly prepare these financial statements;
- select and apply appropriate accounting policies;
- make reasonable and prudent judgments and decisions;
- keep proper accounting records and ensure good systems and procedures are in place;
- safeguard the assets and ongoing viability of the organisation.

2 ACCOUNTING POLICIES

2.1 Basis of Preparation of Financial Statements

These financial statements are prepared in terms of the historical cost convention and in accordance with generally accepted accounting principles.

2.2 Income Recognition

All income received is from charitable donations. A rebate is also received from the Government of Jersey, calculated as a percentage of donations received from Jersey tax payers. This figure is included in income in the financial statements.

2.3 Fixed Assets and depreciation

Fixed assets are depreciated over four years on a straight line basis with an annual review by the Directors of net realisable value. Adjustments to net realisable value are made in the depreciation account each year. Assets costing less than £500 are written off in the year of purchase.

2.4 Other Asset

Other asset includes security deposit on rent which is expected to be refunded within more than one year from the balance sheet date.

2.5 Cash At Bank and In Hand

Cash at bank and in hand is held to meet the day to day running costs of the organisation as they fall due.

2.6 Other Current Assets

Other current assets include GST receivable, prepayments and other receivables such as income received during the year but deposited in the bank following the end of the financial year and other expected refund of payments due to cancelled events.

2.7 Accruals and Cash flows

The accruals method of accounting is used, however, the income statement is almost exactly a reflection of actual cash flows.

3 RESERVES

	<u>2023</u>	<u>2022</u>
	GBP	GBP
As at 1 January	197,244	172,816
Surplus for the year	44,263	24,428
As at 31 December	<u>241,507</u>	<u>197,244</u>

The reserves are not restricted.

4 FIXED ASSETS
