

Our Vision, Values, Vehicles and Beliefs

Our Values - We Are...

because God's Spirit moves and empowers us

because God saved us by His amazing Grace

a diverse family with one Father

**a grateful, passionate,
outward-looking family
who love God's Word
and love people.**

because it's not all about us

we are called to extend His love to the ends of the Earth!

the Bible is our guide for everything

Our Vision

We're all about the Bible and the Great Commission:

*"All authority has been given to Me
in heaven and on earth.*

*Go therefore and make disciples of
all the nations, baptising them in the
name of the Father and of the Son
and of the Holy Spirit,*

*teaching them to observe all things
that I have commanded you;*

*and lo, I am with you always,
even to the end of the age."*

- Matthew 28:18-20

God's perfect instruction.

Our Vision

Our vision is to make strong Jesus followers, or '**disciples**', here in Jersey, and all around the world.

We believe that disciples are **not merely converts**, but individuals continually growing in faith, engaging with others, and building connections.

This is why starting and growing **small groups** is such a crucial part of our church life, and our worldwide mission.

Our Vehicles

We carry out our vision in 3 main ways:

- 1 Church on Sundays:** Gathering together to pray, worship and learn from the Bible.
- 2 Life-groups:** Small groups that meet during the week for community and living out the Bible's wisdom practically.
- 3 Global Outreach:** We share teaching and equipping resources through *Leading Lights Network*. We help believers around the world to start groups, grow, and disciple others.

Our Beliefs

Our beliefs are mainstream, Evangelical, and Charismatic, and can be summarised as follows:

We believe the **Bible** is God's word and is the true guide for everything we need to know about God and salvation.

We believe that **Jesus** is the centre of all that God is about. His life, death & resurrection changed human history, and changed our lives.

God's **Grace** means that He has given us salvation as a free gift, and that we as humans could never earn or be good enough for heaven. This changes our attitude and the way we do everything.

Faith is essential for us as it allows us to receive all that God has given. It involves us believing God's word above all, and seeing beyond the physical.

This explains why God's word is so important to us, and why we have a positive, optimistic belief; all things are possible with God.

Our Beliefs

We believe in the active, miracle-working power of the **Holy Spirit** in people's lives today. We need Him... His leading and infilling.

We believe the **Church** is God's chosen method to carry out His plans on Earth, and so we prioritise His people, authentic relationships, and starting new groups and Churches.

The whole Church should be empowered to be Ministers, not just a special group called the 'clergy'. Everyone has a gift and something to offer.
